TESTIMONIAL

My name is Benjamin Ndumiso Modimokwane, I'm a young enthusiastic, individual, willing to learn and challenge myself with any task or job given to me. I have good communication, writing, computer and programming skills. I am always willing to go the extra mile on all tasks given and I'm always eager to learn. I make it a point to reach every target expected from me by executing it flawlessly and delivering to my leaders and managers. I have the ability to work independently and in teams and I welcome any opportunities that can add value to my working career and experience. My curriculum vitae gives further insight of my working experience and skills developed throughout my working experience. I strive to be professional in all my undertakings.

I am more than willing to involve myself fully in all aspects of the work environment professionally and I aim to deal with everyone that I interact with in a calm and reassuring empathetic way.

I am available for an interview and can be contacted via telephone and e-mail

Thanks.

Benjamin N. Modimokwane
